FRIDAY, October 27, 2006, PK3-5th Grades, 8:00-11:15 AM

A much loved tradition at St. Luke's is Grandparents and Special Friends Day. Students invite their Grandparents (or in place of grandparents, special friends) to come to school, visit their classrooms and attend a brief musical presentation. Photos are taken of students and their guests.

Parent Council volunteers send invitations to those you put on the list. Also, with your permission, the Development / Communications Office will add those names to our mailing list. ✷
