

ST. LUKE'S
EPISCOPAL SCHOOL
SCHOLARSHIP. CITIZENSHIP. LEADERSHIP.

2009-2010 Annual Report

St. Luke's Episcopal School • 15 St. Luke's Lane • San Antonio, Texas 78209

A group of approximately 15 people, including men and women of various ages, are standing in front of a wall. The wall features a large map of the United States, with the states of Texas and Florida highlighted in a different color. The people are dressed in professional attire, such as suits and blouses. The overall scene is brightly lit, and the people appear to be smiling or looking towards the camera.

The St. Luke's Episcopal School Board of Trustees is comprised of leaders with both professional expertise in their fields and a deep love for and commitment to this school. For more than 60 years, generations of Boards of Trustees have been careful stewards of the school's mission so that generations of students are able to experience what St. Luke's offers.

The commitment to academic and personal excellence, lifelong learning, and service to others in a Christian community requires strong leadership to ensure a robust underpinning for the school. The Board tends to such things as sound financial management, visionary strategic planning, and thoughtful policy setting so that the school can flourish. The most visible leadership role the Board of Trustees takes is to employ the strongest leader it can to manage the day-to-day operation of the school.

The Head of School is responsible for maintaining a culture that enables the faculty to lead our students in self-discovery and challenge, and where students can encounter their God-given leadership gifts in the classroom, on the sports field, and in their chosen areas of extra-curricular activities.

Our school is so blessed to enjoy such a healthy culture of leadership! Below is a link to the page where more can be found about the Board of Trustees.

Dear St. Luke's Episcopal School Community,

We would like to extend our deepest gratitude to the whole community for the success of the 2009-2010 Annual Giving Campaign. Our school achieved its first ever 100% campaign with 100% of the parents, faculty, staff and Board of Trustees contributing. Because of this outstanding effort we also exceeded the total amount of money ever contributed to an Annual Giving Campaign.

100% participation demonstrates that our community has gained awareness into how vital Annual Giving is to our school not just for our current students but for the future of St. Luke's. It is exciting and moving to be part of such a vibrant giving community and we appreciate the generosity that truly *each* member of our community made that contributed to the success of this campaign.
