

# Summer Reading

Dear Third Grade Families,

Welcome to summer! As your child continues their educational journey at St. Luke's Episcopal School, we invite you to share with your children the joy of reading. A strong foundation of reading at home is essential to a child's success in school, and we encourage you to take the initiative and run with it!

The following list includes *recommended* book titles for your child to read, but most importantly, now is the time for them to read books that excite them! Our goal in crafting this summer reading list was to offer recommendations that allow students to see themselves represented in literature and to explore the myriad perspectives that make our world so vibrant. You are welcome to read books other than our suggested list. Both Amazon and Common Sense Media provide book reviews if you would like to review a book before your child reads it. Your local library should have many of these book selections, so go get a library card in your child's name—they will love that! *Our expectation is that students will read six to eight books this summer.*

This year, we are excited to announce our community reading initiative: **B I N G O!!!** All students, faculty, and staff will receive a BINGO card (back of this sheet) to fill out over the summer with all of the reading that we accomplish. When we return to school in August, our librarian, Mrs. Hawkins, will gather all of the BINGO cards and compile them into one giant BINGO card that will be on display. We will see how many BINGOs we can all get as a community!
