

Summer Reading

Dear PK3 Families,

Welcome to summer! As your child continues their educational journey at St. Luke's Episcopal School, we invite you to share with your children the joy of reading. A strong foundation of reading at home is essential to a child's success in school, and we encourage you to take the initiative and run with it!

The following list includes *recommended* book titles for your child to read, but most importantly, now is the time for them to read books that excite them! Our goal in crafting this summer reading list was to offer recommendations that allow students to see themselves represented in literature and to explore the myriad perspectives that make our world so vibrant. You are welcome to read books other than our suggested list. Your local library should have many of these book selections, so go get a library card in your child's name—they will love that! *Our expectation is that you will read daily with your child.*

This year, we are excited to announce our community reading initiative: **B I N G O!!!** All students, faculty, and staff will receive a BINGO card (back of this sheet) to fill out over the summer with all of the reading that we accomplish. When we return to school in August, our librarian, Mrs. Hawkins, will gather all of the BINGO cards and compile them into one giant BINGO card that will be on display. We will see how many BINGOs we can all get as a community!

PK3 Book Recommendations

*You and/or your students may read any books they wish to read.
These are some great suggestions brought to you by your teachers and staff.

Marta Big and Small by Jen Arena
